Learning Pathway Plan

What's it all about?

This Learning Pathway Plan is designed to assist you to successfully plan, prepare and achieve your future directions and goals.

This means that you can:

- plan your learning in this course and connect it to your future.
- create pathways for yourself through and beyond your current learning.

This Plan can help you to understand what you know and what you can do to be successful in every part of your life.

This includes:

- making decisions about: what you want to learn and how you apply your learning.
- valuing who you are and connecting with other people and groups.
- thinking about and recording what you have learned to understand what you can do and your outlook on life.

The decisions you make while using the Plan help you to create the future you want, such as what, how and where you learn, for example.

- choosing what you want to learn in school and perhaps out of school;
- deciding to participate in Vocational Education & Training (VET) options, work placements and community involvement;
- finding out about the world of work, further education and training and other lifestyle choices;
- life balance & maintaining health & fitness;
- building & maintaining friendships and building relationships as you get older.

This Plan is a record for when you need to communicate with people about how you successfully meet new challenges and make positive contributions to individuals, organisations and the community.
